Westgate Grill's New Executive Chef

Kyle Smith is the new executive Chef here at Westgate Resort. Kyle graduated from Scottsdale Culinary Institute and has been in the food industry for eleven years. He worked as the sous chef under Warren Willey for four and a half years. Between growing up in Minnesota, where fresh fish is abundant, to living in Utah, with its availability of wild game, Kyle has embraced a variety of cuisine types. He will use his flare to create signature dishes which push the boundaries of the menu.

The summer menu is now available and features a variety of offerings the whole family can enjoy: from hamburgers to grilled Elk chops. Don't forget to try the Stuffed Pork Chop; our chef's specialty!

Relaxation Pool

Enjoy a quiet dip away from noise and distractions. Located on the fourth floor of the Moose lodge, the pool area is equipped with both a steam room and sauna. This is limited to adults only.
